

mawa Ersatzset *Replacement set* – LED

PRODUKTANSICHTEN EXEMPLARISCH *EXAMPLE PRODUCT VIEWS*

WICHTIG *IMPORTANT*

Alle Werkzeuge sollten entsprechend der Montageanleitung gewählt werden! Es dürfen nur LEDs aus dem von mawa erhältlichen Set verbaut werden!

*All tools have to be chosen according to mounting manual!
Replace old LED only with LED included in mawa set!*

! **ACHTUNG:** Vermeiden Sie jeglichen Kontakt mit der Lichtemissionsfläche (LES) und den Widerständen. Berühren Sie weder die LES noch die Widerstände des LED-Arrays und üben Sie keinen Druck auf die LES (Bereich mit gelbem Phosphorharz) aus. Ein Kontakt kann zu Schäden am LED-Array führen.

! **ATTENTION:** Avoid any contact with the Light Emitting Surface (LES) and resistors. Do not touch the LES or resistors of the LED array or apply stress to the LES (yellow phosphor resin area). Contact may cause damage to the LED array.
